MERIDIAN LEARNING

LEARN TODAY. LEAD TOMORROW.

Website Terms & Conditions

Effective date: 21 October 2026 | Website publication draft

1. About Meridian Learning

This website is operated for Meridian Learning Group (“Meridian Learning”, “we”, “our” or “us”). Meridian Learning offers CAPS-aligned curriculum and online educational support to home-educating families, including scheduled live online classes for Grades R–9.

Important: Meridian Learning is a curriculum and educational support provider, not a registered school. Using this website, submitting an enquiry or enrolling in a support programme does not constitute registration at a school or with an education department.

2. Parents’ responsibilities

Parents or legal guardians remain responsible for complying with applicable South African home-education requirements, including applying for and maintaining registration with the relevant provincial education department where required. Parents remain responsible for educational decisions and for ensuring that their children meet any applicable statutory requirements.

Our staff may provide general guidance or educational support, but we do not guarantee that an application to an education authority will be accepted or that a learner will qualify for any particular external examination or certification.

3. Website use and information

The website is intended to provide general information about our programmes and allow families to make enquiries. You agree to use it lawfully, provide accurate information, and not interfere with the operation or security of the website.

We aim to keep website information accurate, but content, timetables, subject offerings, availability and programme arrangements may change. Information on the website is not a guarantee of admission, academic results, accreditation or external examination eligibility.

4. Enquiries and enrolment

Submitting an online or Microsoft Forms enquiry is not an application approval or confirmed enrolment. A place is confirmed only once Meridian Learning has accepted the enrolment and any applicable signed enrolment documentation and payment conditions have been satisfied.

The signed enrolment agreement and any applicable policies govern programme participation, attendance expectations, payments, cancellations, refunds, learner conduct and other service-specific matters. If there is a conflict, the signed enrolment agreement governs the educational services to the extent permitted by law.

5. 2027 published programme fees

The indicative 2027 monthly programme fees currently advertised are: Grade R - R1,600; Grades 1–3 - R1,650; Grades 4–6 - R1,750; Grades 7–9 - R1,850. The advertised annual registration fee is R750 per learner.

Additional learning materials, textbooks, stationery, printing, internet access and certain other resources may incur separate costs. Before enrolling, parents should review the final written fee schedule, due dates, payment terms and any cancellation or refund provisions in the enrolment agreement. Published prices may be updated prospectively, subject to applicable law and existing agreements.

6. Learning arrangements and technology

Classes may be delivered using Microsoft Teams or other approved learning platforms. Families are responsible for having suitable devices, connectivity and an appropriate learning environment unless a written agreement expressly states otherwise.

Scheduled sessions, recordings, digital resources, assessments and communications are provided in accordance with programme arrangements. Reasonable changes may be required for operational or educational reasons, with communication to affected families.

7. Intellectual property and class recordings

Unless otherwise indicated, website text, graphics, branding, teaching materials and other content are owned by Meridian Learning or used under permission or licence. You may not copy, republish, sell or distribute them commercially without permission.

Teaching materials and any authorised class recordings are for enrolled learners’ and their families’ personal educational use only, subject to the enrolment agreement. Unauthorised recording, sharing or publication of classes or other learners’ information is prohibited.

8. Privacy and personal information

Personal information provided through this website, the Microsoft Forms enquiry link or our communications is handled in accordance with our Privacy Notice and applicable South African data-protection law. Please read the Privacy Notice before submitting personal information.

9. External links and availability

Our website may link to third-party services, including Microsoft Forms, Microsoft Teams, WhatsApp and other websites. Those services are subject to their own terms and privacy practices. We do not control their availability or content.

We take reasonable steps to maintain the website but do not guarantee uninterrupted or error-free access. Nothing in these terms excludes rights or remedies that cannot lawfully be excluded.

10. Liability and consumer rights

To the extent permitted by applicable law, Meridian Learning is not responsible for losses caused by events beyond its reasonable control, including third-party internet or platform outages. This does not exclude liability where exclusion is prohibited by law, nor limit rights under the Consumer Protection Act or other applicable legislation.

Nothing in these website terms is intended to waive statutory consumer protections or remove obligations imposed on Meridian Learning by law.

11. Changes and applicable law

We may update these website terms by posting a revised version. Changes to an existing enrolment agreement will be handled under that agreement and applicable law. These website terms are governed by the laws of the Republic of South Africa.
